Hi Maureen and Sid. It was a nice weekend. Probably the last one for awhile where we can sit around a small fire down by the creek.

I attach the updated proposal that I worked on with help from Mike with the numbers. Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP) Any feedback before I send on to Rusty is welcome.

I was going to put together slides earlier but was waiting for Greg to send me his intro slide deck that Anna said he had. Made a couple of requests and he said he would get back to me. But at this point I will put together something without his slides. Expect something soon. Btw, the practice session does not involve our presentations just making sure we all know how to control the slides and pointers, etc.

Hi Chris –

Hope you had a great weekend! Just wanted to check to make sure we can review the slides prior to this test run – I know Rusty will want to see them, along with the updated write-up (which I know you were waiting for feedback from Mike on). I meet with Mike today so let me know if there is anything needed for follow-up.

Thanks

Maureen

Hi everyone

The SAB staff wants to have a practice session with Zoom-gov. Can you let me know if you are available on Friday (and what time(s)?)

Thanks

Anna
